

Introduction

The best for your business

Whatever your fleet requirements, Mercedes-Benz has an ideal solution – from the urban agility of the A-Class to the unrivaled luxury of the S-Class.

The impeccable quality, remarkable comfort and distinctive styling exemplified by the latest E-Class are hallmarks of the entire Mercedes-Benz range. Most models include equipment such as Bluetooth® as standard and all offer outstanding reliability and resale values – key considerations for fleet managers and drivers alike.

Always a safety innovator – Mercedes-Benz pioneered both crash-testing and airbags – our cars incorporate an array of technologies to keep drivers, passengers, and other road users safe and sound. This includes the award-winning Attention Assist, which monitors drivers for signs of fatigue and alerts them if required.

Environmental performance is excellent with a number of BlueEFFICIENCY models – including the E-Class and C-Class - [offering sub-160 g/km CO2 emissions](#).

A-Class and B-Class

Innovative, versatile and supremely efficient

Stylish looks, impressive interior space and low running costs make the A-Class and B-Class invaluable members of any business fleet.

The A-Class

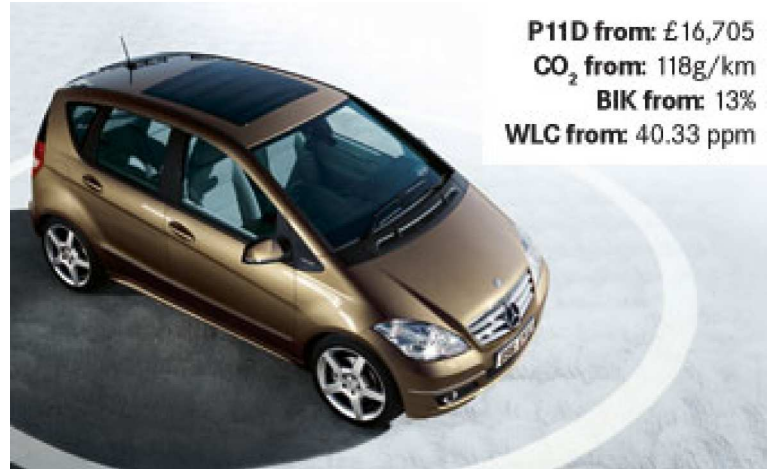

- CO₂ emissions from as little as 118 g/km and achieving up to 62.8 mpg
- Compact and agile
- Well-built, highly adaptable cabin with generous load-space
- Holder of the coveted ISO Environmental Certificate

The B-Class

- CO₂ emissions from just 136 g/km achieving up to 54.3 mpg
- Offers versatility and comfort
- 504 litres of luggage capacity
- Premium feel throughout the cabin
- Holder of the ISO Environmental Certificate

Safety - Both the A-Class and B-Class incorporate extensive safety measures including:

- The innovative sandwich floor design
- Active Park Assist as standard on the B-Class to help avoid bumps and scrapes

C-Class Saloon

The consummate business saloon

The C-Class Saloon offers the complete executive package, combining dynamic styling and performance with impeccable safety, comfort and efficiency. Distinctive models lines include: The refined SE with its stylish 16" alloy wheels, the Executive SE with additional equipment such as the COMAND multimedia and navigation system, the sophisticated Elegance with touches of chrome, leather and wood trim and the eye-catching Sport, featuring AMG bodystyling.

Efficiency - Most engines are BlueEFFICIENCY-optimised, minimising fuel consumption and emissions without compromising power. CO₂ emissions from 127 g/km and Benefit in Kind is just 18%.

Comfort - The Agility Control Suspension with Adaptive Damping System ensures a sublime driving experience.

Safety - To address Duty of Care, safety technology such as the Pre-Safe® anticipatory safety system fitted as standard to detect and react to critical driving situations.

C-Class Estate

Elegant practicality

The C-Class Estate combines impressive space and versatility with charismatic looks, indulgent interior comfort and outstanding performance. Model lines include the SE, Executive SE, Elegance and Sport, each featuring extensive standard specification and luxurious interior appointments.

Efficiency - Environmental performance is exceptional, with the four-cylinder BlueEFFICIENCY diesel engines leading the way. CO₂ emissions from just 130 g/km and Benefit in Kind from 18%.

Comfort - A capacity of up to 1,500 litres, it has one of the largest load compartments in its class and the Easy-Pack automatic powered tailgate facilitates loading and unloading.

Safety - The optional Intelligent Light System consists of adaptive headlamps which can adjust automatically to suit the current driving situation, thereby ensuring a major improvement in perceptual safety.

CLC Coupé

High on excitement, low on cost

From its muscular front section to its striking wedge-shaped profile, the CLC Coupé is designed to inspire. A choice of model lines includes the SE, complete with 16" alloy wheels and the Sport, featuring lowered suspension and Direct Steering for enhanced handling and agility.

Efficiency - Despite its exclusive styling and extensive specification, the CLC Coupé offers refreshingly low Whole Life Costs with competitive P11D values and CO₂ emissions from 154 g/km with BIK as low as 19%.

Safety - Occupants are well protected by a range of innovative safety measures such as ESP® (Electronic Stability Programme) and BAS (Brake Assist) as standard.

Comfort - For relaxed, stress-free journeys the CLC Coupé comes generously equipped with Parktronic parking assistance.

E-Class Saloon

Raising the bar

Arguably our finest ever E-Class, the latest generation E-Class Saloon sets new standards in executive motoring. Available in three highly desirable model lines – the SE, Avantgarde and Sport – it boasts a class-leading interior featuring fine quality materials and finishes.

Efficiency - A range of advanced petrol and diesel engines offers superb performance, deftly balancing power and economy. CO₂ emissions are available from as little as 137 g/km and Benefit in Kind from 19%.

Safety - As you'd expect from an E-Class, safety levels are second to none. Standard equipment includes, Pre-Safe®, which anticipates hazardous situations and, if necessary, initiates a series of pre-emptive safety measures in the vital moments before a potential accident

Comfort - Exceptionally high comfort in the E-Class Saloon with ergonomic seating, generous headroom and legroom for all occupants and 540 litre boot capacity.

BIK from: 22%
WLC from: 67.63 ppm

E-Class Estate

The capacity to inspire

Versatility, luxury and desirability – these are the hallmarks of the E-Class Estate. One of the largest usable load spaces in the premium sector – 695 to 1,950 litres – makes it a huge asset to any corporate fleet.

Efficiency - The latest engine line-up includes enhanced 4-cylinder units and offers CO₂ emissions from as low as 150 g/km and Benefit in Kind from 22%.

Safety - We've fitted the E-Class Estate with a range of features to promote safer driving such as Hill Start Assist and Hold function as standard on all manual models.

Comfort - The E-Class Estate combines sophisticated styling and versatility, perfect for larger loads, including the Easy-Pack automatic powered tailgate for convenient loading and unloading.

CO₂ from: 143g/km
BIK from: 20%
WLC from: 68.93 ppm

E-Class Cabriolet

The stunning E-Class Cabriolet combines the signature E-Class qualities - comfort, safety and efficiency - with a liberal dose of sheer driving indulgence.

Efficiency - Our first ever Mercedes-Benz Cabriolet to offer diesel engines, and with CO₂ emissions from only 143 g/km and Benefit in Kind is just 20% - with a write down allowance of 20%.

Comfort - The electrically powered acoustic soft top roof and Aircap wind deflector delivers one of the most refined open-top driving experiences imaginable.

Safety - Rollover protection includes reinforced A-pillars and special rollover bars housed in the rear head restraints. Now featured for the first time on a Mercedes-Benz Cabriolet is an array of airbags including a pelvisbag in the driver's seat.

BIK from: 19%
WLC from: 64.86 ppm

E-Class Coupé

Not surprisingly the E-Class Coupé has received glowing reviews, with Fleet News saying "The E-Class Coupé's size and scale makes it feel as though it exists in a sector above the competition, even if it is priced keenly against them, making it a superb addition to the corporate choice list."

Efficiency - With a range of powerful yet efficient engines available in a choice of model lines - the SE with full leather upholstery and the Sport with dramatic AMG styling. Our technology delivers CO₂ emissions as low as 139 g/km.

Comfort - With its muscular styling and luxurious interior, the E-Class Coupé embraces pure driving pleasure with Agility Control suspension fitted as standard.

Safety - Combining established Mercedes-Benz equipment such as ESP® with a raft of technologies, the E-Class Coupé offers exceptional safety for fleet drivers.

CO₂ from: 177g/km
BIK from: 27%
WLC from: 124.9 ppm

S-Class Saloon

The definitive luxury saloon

Named Luxury Car of the Year 2010 by Auto Express – a title it has now won five years in succession – the S-Class sets the standard for luxury saloons.

Efficiency - BlueTEC technology transforms nitrous oxide gases in to harmless water and air through urea based liquid stored in a tank in the car as a result the S 350 BlueTEC already complies with EU6 emission standards planned for 2014 and CO₂ emissions start from 177g/km. It is the world's first luxury saloon to be awarded the prestigious ISO environmental certificate.

Comfort - Unrivalled comfort features include optional Night View Assist Plus to PreSafe® and Brake Assist as standard- Whilst Distronic Plus, Active Lane-Keeping Assist and Active Blind Spot Assist are available with the optional Driving Assistance Package.

Safety - Using state-of-the-art materials and innovative geometry, the S-Class is able to absorb and redistribute huge amounts of energy in an impact.

P11D from: £80,000
CO₂ from: 227g/km
BIK from: 34%
WLC from: 192.97 ppm

New CL-Class Coupé

A coupé of distinction

The ultimate reward for business drivers, the latest CL-Class continues a long tradition of iconic Mercedes-Benz coupés. Elegant, powerful and luxurious, it is a masterpiece of automotive design and engineering.

Efficiency - Driving dynamics are sensational with the latest version of Active Body Control suspension making its debut.

Safety - A technological pioneer, the CL-Class also features: Active Blind Spot Assist, Active Lane-Keeping Assist, and DISTRONIC PLUS as part of the optional Driving Assistance Package.

Comfort - To enable productive, stress-free business journeys, the COMAND multimedia system with 8-inch colour display, 3D map display, TMC (Traffic Message Channel) and Linguatronic comes as standard.

SL-Class and SLK-Class

Defy convention

Combining breathtaking looks with impressive comfort and communications, the SL-Class and SLK-Class offer an exhilarating alternative to more conventional executive vehicles.

Driving Dynamics - Available as standard on selected SL-Class models and as an option on selected SLK-Class models, 7G-Tronic transmission helps reduce fuel consumption and noise levels, thanks to lower average engine speeds.

Comfort - The unique electro-hydraulic vario-roof, which transforms them from hardtop coupés to top-down roadsters at the touch of a button.

Safety - On both models a roll bar raises automatically when the car's sensors detect a critical situation. Also driver and passenger airbags inflate in two stages, depending on the severity of a collision.

4MATIC

Supreme versatility

Add a new dimension to your corporate fleet with the Mercedes-Benz 4MATIC range – the distinctive R-Class luxury tourer, the exquisite GL-Class, and the stylish M-Class.

Each vehicle combines dramatic styling and sumptuous interior appointments with outstanding versatility and huge load capacities. The new generation R-Class engine line-up comprises two modified V6 diesel units, each one offering 9% improvements both in fuel economy and emissions.

4MATIC features include: Permanent four-wheel drive, the 50:50 power split between front and rear wheels, AirMATIC suspension with level adjustment, 7G-Tronic transmission as standard and all 4MATIC vehicles now offer a BlueEFFICIENCY version with lowered fuel consumption and CO₂ emissions.
