

Even perfection  
can be improved on.

Mercedes-Benz Accessories.

Mercedes-Benz

# Welcome to Mercedes-Benz Accessories.

When you buy a new Mercedes-Benz you can rest assured that every tiny detail has been considered to make it as perfect as possible.

However, we realise that everyone has their own idea of perfection, and when you buy a Mercedes-Benz you might want to add your own little touches to make it truly perfect in your eyes.

Which is why we have a range of accessories for you to really make your Mercedes-Benz your own. Why not take a look through the brochure? You'll find everything from practical accessories for making packing and storage easier, to alloy wheels and body styling.

Of course every single accessory is of the highest Mercedes-Benz quality and more importantly, each one has been specifically designed to complement your vehicle perfectly.

# Pack the kitchen sink.

When you're off on holiday, you want to be able to pack all those essentials, like skis and bikes. Mercedes-Benz carrier systems allow you to enhance your carrying needs, without compromising on style.

**Carrier Bars** – easy to fit, elegant and robust, for attaching transportation accessories [1]

**Roof Boxes** – add extra aerodynamically designed space [2]

**Bike Racks** – extremely lightweight and suitable for various cycles. Can be fitted on the roof bars, tailgate, towbar, and for some models, even inside the boot [3]

**Ski and Snowboard Racks** – carry up to 6 pairs of skis or 4 snowboards [4]

# Keep your child safe.

The Mercedes-Benz range of child seats means you can be safe in the knowledge that your most cherished passengers are protected and secure. Each one comes with Automatic Child Seat Recognition (AKSE) transponders which automatically disable the front passenger airbag. This provides an exceptional level of protection for your child that no high street brand can offer.

**Additional Mirror** – enhance your safety and field of vision by keeping an eye on your kids whilst keeping your eyes on the road [1]

**Lap Play Table** – transforms the integrated child seat into a safe restraint system and gives your children a play table for toys and games to keep them occupied\* [2]

**Vario Bag** – versatile space to keep the kids' things packed away [3]

\*Lap Play Table only available in conjunction with Integrated Child Seat.

# Every comfort you could dream of.

It's only natural to want to travel in comfort and these handy accessories help you do just that.

**Coat Hangers** - for crease-free clothing [1]

**Cup Holder** - the safe solution for thirsty travellers [2]

**Back Cushions** - with an integrated pump for adjustable support [3]

**Clean Bag** - this handy waste bag attaches to passenger footwell or rear of front seat. Replacement bags provided [4]

# Every convenience you need.

These accessories are a great way to practically transport messy or fragile items. Plus, they will help keep your car looking as good as the day you bought it.

**Boot Tubs** – secure transport for muddy or messy items [1]

**Stowage Crates** – adjustable partitions stop items sliding or tipping [2]

**Luggage Nets** – secure and tidy away small or lightweight items [3]

**Mud Flaps** – precision tailored for a perfect fit, these will keep away the mud and dirt, which means less cleaning for you. Available for front and rear [4]

## Stay in touch.

**Phone Cradles** – charge and secure your mobile phone whilst driving safely with hands-free in conjunction with the steering wheel, and wirelessly connect it via Bluetooth, with our range of generic and specific cradles. The cradle boosts the signal on your mobile phone using the external aerial, allowing for higher quality calls. Your phonebook can also be downloaded for ease of use [1]

**Navigation Discs** – easily locate all major and cross-country roads and postcodes, plus avoid traffic hotspots with Traffic Message Channel (TMC) and ‘Dynamic Route’ [2]

**Tracker** – stolen car tracking system, supported by all UK police forces [3]

\*Phone Cradle only available in conjunction with Pre-Wiring, charging and Bluetooth functionality not supported by all cradles.

**TRACKER**<sup>TM</sup>  
stolen vehicle recovery

[3]

# A sound choice.

**iPod Interface Kit** – safely control your iPod via the multifunction steering wheel [1]

**Media Interface Cables** – control a range of external devices via your car's audio system. MP3 players, iPods and USB devices can all be connected [2]

**Rear Seat Entertainment System** – keep the youngsters on board entertained for long journeys with these 7" LCD Colour displays, ready to play music and DVDs. Complete with a child friendly remote control [3]

**Hotspot** – stay connected to all Wi-Fi devices while on the move with this in-car Wi-Fi router [4]

## Turn heads.

**Body Styling** – look your best with our expertly engineered and bespoke interior and exterior styling accessories and performance enhancing kits [1]

**Alloys** – a sporty-looking choice from Mercedes-Benz, AMG and BRABUS

**BRABUS Eco Power Xtra** – increase the performance of your diesel car, by boosting your torque and horse power. These kits are the only performance enhancing product approved by Mercedes-Benz

# Mercedes-Benz Collection.

Exclusive collections of beautifully designed and branded items to suit your individual style, including key rings, golfing wear, bikes, indoor and outdoor clothing and stylish accessories [2]

And for those who have everything, Mercedes-Benz gift cards, which are available in various denominations.

Please note: Changes may have been made to the products since this brochure went to press.  
Colours may differ slightly from those shown due to the printing process.
