1) Recommended on-the-road (OTR) price: these prices reflect the Road Fund Licence applicable to the standard model plus £330 additional costs necessary to put your car on the road. Included are a standard UK delivery charge (£215 incl. VAT), new vehicle registration fee (£55), number plates (£25 incl. VAT) and fuel (£35 incl. VAT). VAT is calculated at the standard rate of 20%.

2) A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. The table shows the relevant rate for the second and subsequent years.

3) Micro hybrid drive.

# Warranty/servicing

The new manufacturer's warranty without mileage restrictions from smart offers you a comprehensive scope of protection. We also offer smart Service Care, which is a service plan designed to take care of your servicing costs for the next two, three or four services. smart Service Care is a great way of keeping your smart in the best shape at an Official Workshop whilst keeping the costs as transparent as possible.

## Warranty

2-year warranty on new cars without mileage restrictions, plus 6-year rust perforation warranty.

## smart Service

### Quick.

smart's modern diagnosis system ensures that any problems are identified quickly and accurately.

### Professional.

The high efficiency of smart Official Workshops ensure highly qualified staff, transparency of costs, clearly structured processes and the use of state-of-the-art workshop technology.

### Economical.

Short stays at the workshop, low maintenance and repair costs, modern service intervals and a low insurance rating mean extremely low running costs for a smart.

## smartmove Assistance

**In good hands.** The international smartmove Assistance service provides free breakdown assistance in emergencies. Around the clock and for the whole duration of the 2-year manufacturer's warranty. Further information is to be found in the smart centres directory in your operating manual.

## smart Service Care

With smart **Service Care** it's easy to enjoy more flexible and affordable car servicing at your local smart Official Workshop.

Because **Service Care** guarantees the price of parts and labour for up to four services and cleverly protects you against any further inflationary rises, the price will never go up. Even better, it also includes regular service items like spark plugs, air filters and fuel filters.

**But that's not all.** You'll have a choice of easy ways to pay as well. You can either add your servicing costs to your monthly budget by paying a fixed amount, or pay all your servicing costs in one lump sum. Either way, you can relax knowing it's taken care of in the best way for you.

- **Service Care** guarantees the price you pay today is the price for the next two or three services, so what you pay won't go up even if inflation does.
- Fixed monthly costs make it easier for you to budget because you can spread the cost of servicing.
- You'll be adding an official stamp to your service history. So when it comes to selling your pride and joy on, future owners can look for the manufacturers' seal of approval when they buy.
- You'll have the satisfaction of knowing that your car will be serviced by specially trained technicians, using the latest diagnostic equipment, and fitting genuine smart parts.
- If your car has been bought on finance then the **Service Care** payment can be easily added to your monthly budget plan.
- Fully transferable to a new owner if you sell your smart, providing the plan is paid for in one lump sum.
